Blaine has been a NAVHDA member since 1975 and a judge and clinic leader since the early 80's. He has successfully trained and tested NA, UT and Invitational dogs. He and wife Patti run Merrymeeting Kennels, breed and train some of the top German Shorthair Pointers (GSP) in the country. Both brood bitches at Merrymeeting Kennels are Versatile Champions and have produced Breeders' Award litters. Helping others successfully train their dogs is Blaine's specialty. He has been conducting training clinics across the country for the past years. His clinics are fun as well as very educational for every level of dog and trainer.

This is a working Training Clinic. Bring Your Four Legged Hunting buddy and a start training!
